The association *Les Amis de James Coignard* was founded in 2008. Its is the benchmark organization for everything linked to the work of James Coignard. Becoming a member of the association means supporting the conservation, promotion and distribution of this artwork. It also means sharing the artistic value and what has become the cultural heritage of the great legacy left by James Coignard !

Permanent membership is obtained upon initial payment of membership fee. Annual subscription is valid from June to June. The first subscription allows you to become an "active" member of the association for the duration of one year. If subscription is discontinued the following year, you remain a member however without access to certain benefits.
